

Michigan Surgeon General's Healthy School Environment Recognition Program Sponsored by Michigan Action for Healthy Kids

Attention All Michigan Schools!

Michigan Action For Healthy Kids (MAFHK) and Dr. Kimberlydawn Wisdom, Michigan's Surgeon General, have established a program to recognize schools that are making significant improvements in their school environment related to healthy eating, physical activity, and tobacco-free lifestyles. A healthy school environment provides clear and consistent health messages, accurate health information, and ample opportunity for application. Your school is invited to apply.
